### DOE HOMESCHOOL REGISTRATION GUIDELINES

**Due to the vast number of families going home-schooling you are advised to register with a homeschool curriculum (CAPS) provider as soon as possible and NOT wait for the DOE as they have already given blanket permission for you to do so.**

The parents have to notify the relevant provincial DOE that they have decided on homeschooling.

The best way is to email them and keep this as your record. Once/if they respond they may request additional information from you as follows:

Information required as per the DoE application form for home education:

1. Curriculum to be used – *CAPS*
2. Full details of the educational program: *We will provide this information after you have registered with us.*
  - 2.1. Subjects – *As per CAPS Curriculum Grade R – 12*
  - 2.2. Teaching hours per subject – *As specified in the CAPS Curriculum*
  - 2.3. Assessment – *Formal Exams written Mid-year and Year-end – SACAI Assessment Grade 10-12.*
  - 2.4. Library – *DOE Approved CAPS Learners' Textbooks and Teacher Guides or CAPS based workbooks*
  - 2.5. Program use of tutor – *Online Tutors ordered and paid for by parents where required*
